

Welcome to the CME & Evaluation Center

Thank you for attending the 2021 SOBP Annual Meeting!

Here you will find information on completing the conference evaluation as well as obtaining CME credits or a certificate of attendance. You can also find the information regarding the number of credit hours available for each session.

Evaluation

We encourage every attendee to complete the Annual Meeting Evaluation. Your feedback not only helps us understand if the recent program met your needs and expectations, but also helps with planning for future meetings.

Attendees wishing to request CE credits or a Certificate of Attendance (which can be used to secure CE credits from your accrediting body), must first complete the meeting evaluation.

Accessing the Evaluation:

The evaluation is anonymous and therefore cannot be accessed when the attendee is logged into their account. If you can see the conference hall, you are logged in and will need to click on your profile button in the bottom left corner and select **logout before clicking the evaluation link**. Logout, and then [click here](#).

Continuing Education Credits & Certificate of Attendance

There is a \$40.00 charge to apply for CME credits. There is no charge to request a certificate of attendance. Once you have completed the evaluation, you will be asked if you would like to apply for CE credits or a certificate of attendance. Select 'Apply for Hours' and it will direct you to login and attest the sessions you attended. Once complete, your certificate will be emailed to you immediately. Additional information regarding CEs is below.

The deadline to complete the evaluation and request a certificate is July 30, 2021

Continuing Medical Education Credits

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and the Society of Biological Psychiatry. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. You must participate in your chosen sessions in their entirety as partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Physicians (ACCME)

Live Content - Amedco LLC designates this live activity for a maximum of 19.50 AMA PRA Category 1 Credits™.

Enduring/Recorded Content - Amedco LLC designates this enduring activity for a maximum of 94.25 AMA PRA Category 1 Credits™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity. The 19.50 live hours cannot also be claimed as enduring hours.

LIVE ONLY Sessions

Recordings will not be available after the live event. Attendees must watch the below sessions **LIVE** in order to claim credit.

Thursday, April 29
1:30 PM – 3:30 PM
CENTRAL

Symposium:
*Advances in
Mitochondrial
Molecular
Genetics in
Psychiatry*

Friday, April 30
1:00 PM – 3:00 PM
CENTRAL

Symposium:
*Emerging Roles of T
Cells in CNS Health
and Disease*

Saturday, May 1
1:30 PM – 3:30 PM
CENTRAL

Symposium:
*Bipolar Disorder:
New Biological
Insight and
Potential Clinical
Relevance From
Large-Scale
Genetic Studies*

LIVE ONLY Presentations

The below presentations will be recorded, however, one of the individual talks will be removed before posting. The below talks can only be viewed live.

Thursday, April 29, 4:00 PM – 5:45 PM Central

Oral Session: Mood Disorders/Treatment ***Please note, Matthew Sacchet's presentation is LIVE ONLY.**

Friday, April 30, 1:00 PM – 2:45 PM Central

Oral Session: New Methods/Models: Cells to Behavior ***Please note, Sergiu Pasca's presentation is LIVE ONLY.**

Friday, April 30, 4:30 PM – 6:30 PM Central

Symposium: Advancing Treatment of Substance Use Disorders Through Computational Modeling ***Please note, Pearl Chiu's presentation is LIVE ONLY.**

Friday, April 30, 4:30 PM – 6:30 PM Central

Oral Session: Mood Disorders ***Please note, Nicholas Neufeld's presentation is LIVE ONLY.**
